

# Are you interested in becoming a GenWest LGBTIQ+ advocate?

GenWest is looking for women, non-binary and gender diverse people from the LGBTIQ+ community who would like to give feedback and advice to help make our service the best it can be. We are looking for LGBTIQ+ advocates who have a connection to Melbourne's west.

We invite you to become a part of our LGBTIQ+ advisory group by meeting every three months and giving feedback on how GenWest can be a safer, more inclusive organisation for LGBTIQ+ people. Help us reach our vision to achieve gender equity across Melbourne's west so that everyone can lead healthy, safe lives.

The benefits of being on the LGBTIQ+ advocate advisory group:

- You will help GenWest be a better service for the LGBTIQ+ community
- You will learn new skills and gain experience as an LGBTIQ+ advocate
- You will be given opportunities for free training and professional development
- You will meet other LGBTIQ+ advocates who want to make a difference
- If you have any access or support requirements, we are more than happy to help!
- You will be paid for every meeting you go to

*Note: The LGBTIQ+ advisory group is to help GenWest provide the best service possible, but it's not group counselling. If you are looking for counselling or support, please contact Queerspace on 9663 6733 or go to [queerspace.org.au](http://queerspace.org.au).*

## If you are interested in being a part of this group:

Send an email to Sophie Mast at [sophiem@genwest.org.au](mailto:sophiem@genwest.org.au) and tell us why you would like to be in the LGBTIQ+ advisory group. We will then organise a casual chat to make sure the group is the right fit for you.

Please email Sophie with your interest before Friday 10<sup>th</sup> February.
